Breakfast at Restaurant in Hotel

After breakfast take a private sailing catamaran to Koh Tan , Koh Madsum

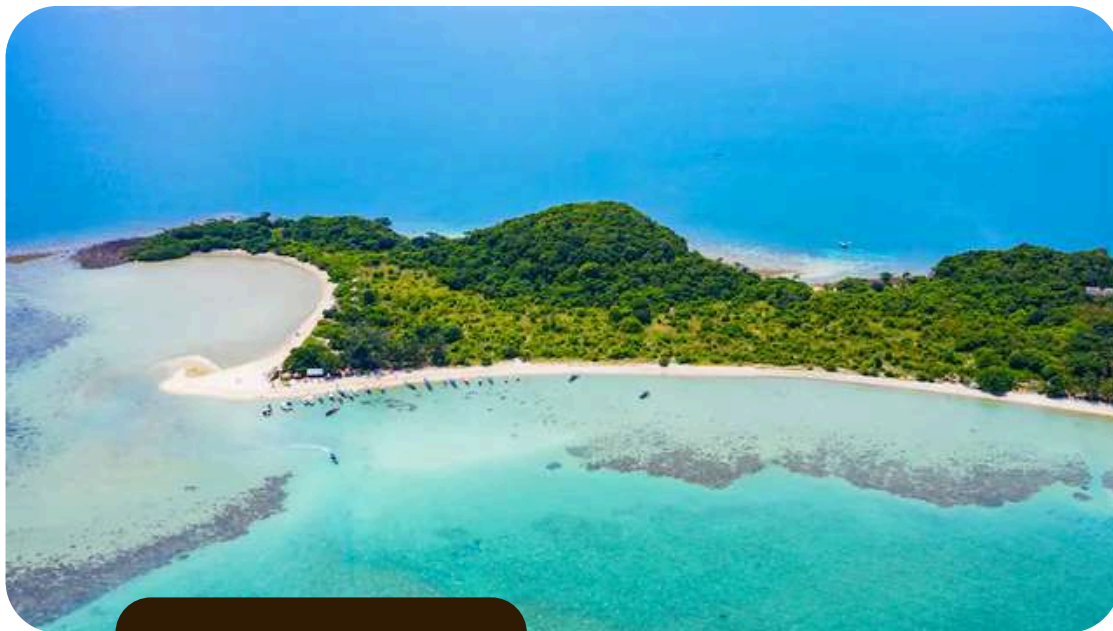

KOH TAN

A small island located off the south-western corner of Koh Samui, which is a excellent stop off on our Koh Samui Island tours. Whilst the island has suffered a change in its habitation with most of the islands' natives moving to Koh Samui for job opportunities, some remained and provide food options for visitors. Whilst on the island, it is easy to travel around the island, go snorkeling or kayaking, and enjoy the mangrove forests.

KOH MADSUM (PIG ISLAND)

Located just across the water from Koh Tan is the smaller Koh Madsum (or Matsum) Island. Famous of its pigs which swam there from Koh Taen, this island features beautiful beaches and a bar. All there is to do is check out the pristine waters whilst snorkeling or head out to do a lap of the island by kayak. For those that are here to relax, you can simply lay out on the beach and enjoy the pigs.

And then back to Koh Samui

KOH PHA-NGAN

Let you relax in Koh Pha-Ngan, large Island off the east coast of Surat Thani province in the Gulf of Thailand. Koh Pha-Ngan is located about 100 km offshore and about 15 km north of Koh Samui. Most well-known for its monthly Full Moon Party, Koh Pha-Ngan features some of the most spectacular Beaches in Thailand, most of which are still only moderately developed, providing visitors with easy access to either a wild beach Party or a relaxing and quiet beach Holiday.

LAMAI BEACH

Lamai Beach is a stunning crescent of palm-fringed powdery white sand that's perfect for whiling away the day sunbathing. The water off Lamai Beach is equally alluring, with a deep central stretch of water great for swimming and watersports. If you are looking for a relaxing few days on the beach, the local amenities provide all the needs and you, so you won't have too far from the sand, if at all.

THE BIG BUDDHA TEMPLE

The Big Buddha Temple sits on a small rocky island off Koh Samui's northeastern corner. Known locally as Wat Phra Yai, its golden, 12-metre-tall seated Buddha statue is one of the island's most popular attractions. Set on Koh Faan, the temple is reached by a causeway that connects it to the main island.
